The Ohio State University at Lima and Lima Technical College

CALL FOR "STUDENT OF THE MONTH" NOMINATIONS

As a part of the 35/25 anniversary celebration for OSU-Lima and Lima Tech, the 35/25 Committee is seeking eight outstanding students from each institution for the "Student of the Month" award. Each institution will select eight students. Two students from each college will be featured in the Lima News during the months of February, March, April and May. Each of the 16 students selected will receive a \$50 savings bond and a commemorative plaque.

- * Do you know an LTC or OSU-Lima student who makes a special contribution to his/her academic program?
- * Do you know a student who makes an extra effort for his/her community?
- * Do you know a student who makes significant contributions to on-campus activities?

The 35/25 Committee seeks to feature students who have made exemplary contributions to their academic program, campus and/or community activities. This does not necessarily mean that the individual will be a 4 point student.

If you wish to nominate a student(s):

- 1) Pick up a nomination form in Public Services Building Room 148 (LTC Career Placement Center), 107 Galvin Hall (OSU Alumni/Development) or Galvin Hall 066 (Student Activities.)
- 2) Have the student you are nominating complete the form.
- 3) Include with the completed nomination form, a brief letter as to why you think this student is deserving of the honor.
- 4) Return to Darlene Brown, PS 148 or Claudia Crowell, GA 107 NO LATER THAN FRIDAY, JANUARY 26.

SINGER STORYTELLER WILL PERFORM IN AUDITORIUM TUESDAY

Whether Barry Weaver is performing an original song or telling a story, he exudes charisma with a down-home warmth. "Creating songs and stories is my way of making sense of, and poking fun at, life," he says. Weaver will play and sing for a program on Tuesday, January 23 at noon in the Auditorium (please note room change from Reed Hall 160.) His repertoire of acoustic songs includes original and traditional tunes, and works from favorite folk, country, and popular artists. His telling of Appalachian tales is animated, fun, and accompanied with traditional music. His stories also include true adventures from his years as an early childhood educator. One of Weaver's up-tempo original songs "Ready for Red," was selected for a new CD release of a collection of 20 original songs by Ohio's emerging solo performers and bands.
